

Wisconsin State Law Library

Milwaukee County Law Library • Dane County Law Library

Our legal research experts field questions over the phone and email, and from visitors at our three locations in Madison and Milwaukee.

The library offers research assistance and a practice-oriented legal collection to government employees, attorneys, and members of the public. Online collections and an extensive website compliment Wisconsin archives and respected legal treatises. Ask us how we can help!

Toll free: 800-322-9755
