

Death Caused by Suicide

Evidence has been presented that (name deceased) died by suicide and that (name client) encouraged her to do so. The term "suicide" means the voluntary and intentional taking of one's own life. Encouragement of suicide without further assistance by (name client) is not a crime. Assistance means that (name client) in some method or manner helped or aided (name deceased) to commit suicide.

Basis: WIS JI-CRIMINAL 1195 Assisting Suicide.
